Alle opgegeven wattages, vermeld bij de armaturen, zijn de maximum waarden en dienen eventueel aangepast te worden naar een lager wattage naargelang de plaats waar het armatuur wordt geïnstalleerd.

Alle armaturen dienen geplaatst en aangesloten te worden door een erkend elektricien die de nodige kennis en ervaring heeft, alsook de vergunning voor het plaatsen van onze armaturen. Dit dient ook altijd te gebeuren volgens de geldende regels en officiële instructies. Afmetingen van de armaturen kunnen afwijken of ten alle tijden worden aangepast indien de leverancier dit nodig acht. Hiervoor kan dus geen schadevergoeding worden geëist. De aangegeven hoogtes zijn niet bindend, deze zijn variabel naargelang het gekozen armatuur.

De opgegeven prijzen kunnen ten allen tijde worden aangepast gevolg van de schommelingen in de grondstof prijzen. Alle wijzigingen worden 3 maanden vooraf aangekondigd. Foutieve prijzen uit de catalogus worden voor bestelling gecorrigeerd en gemeld.
